➤ Vision

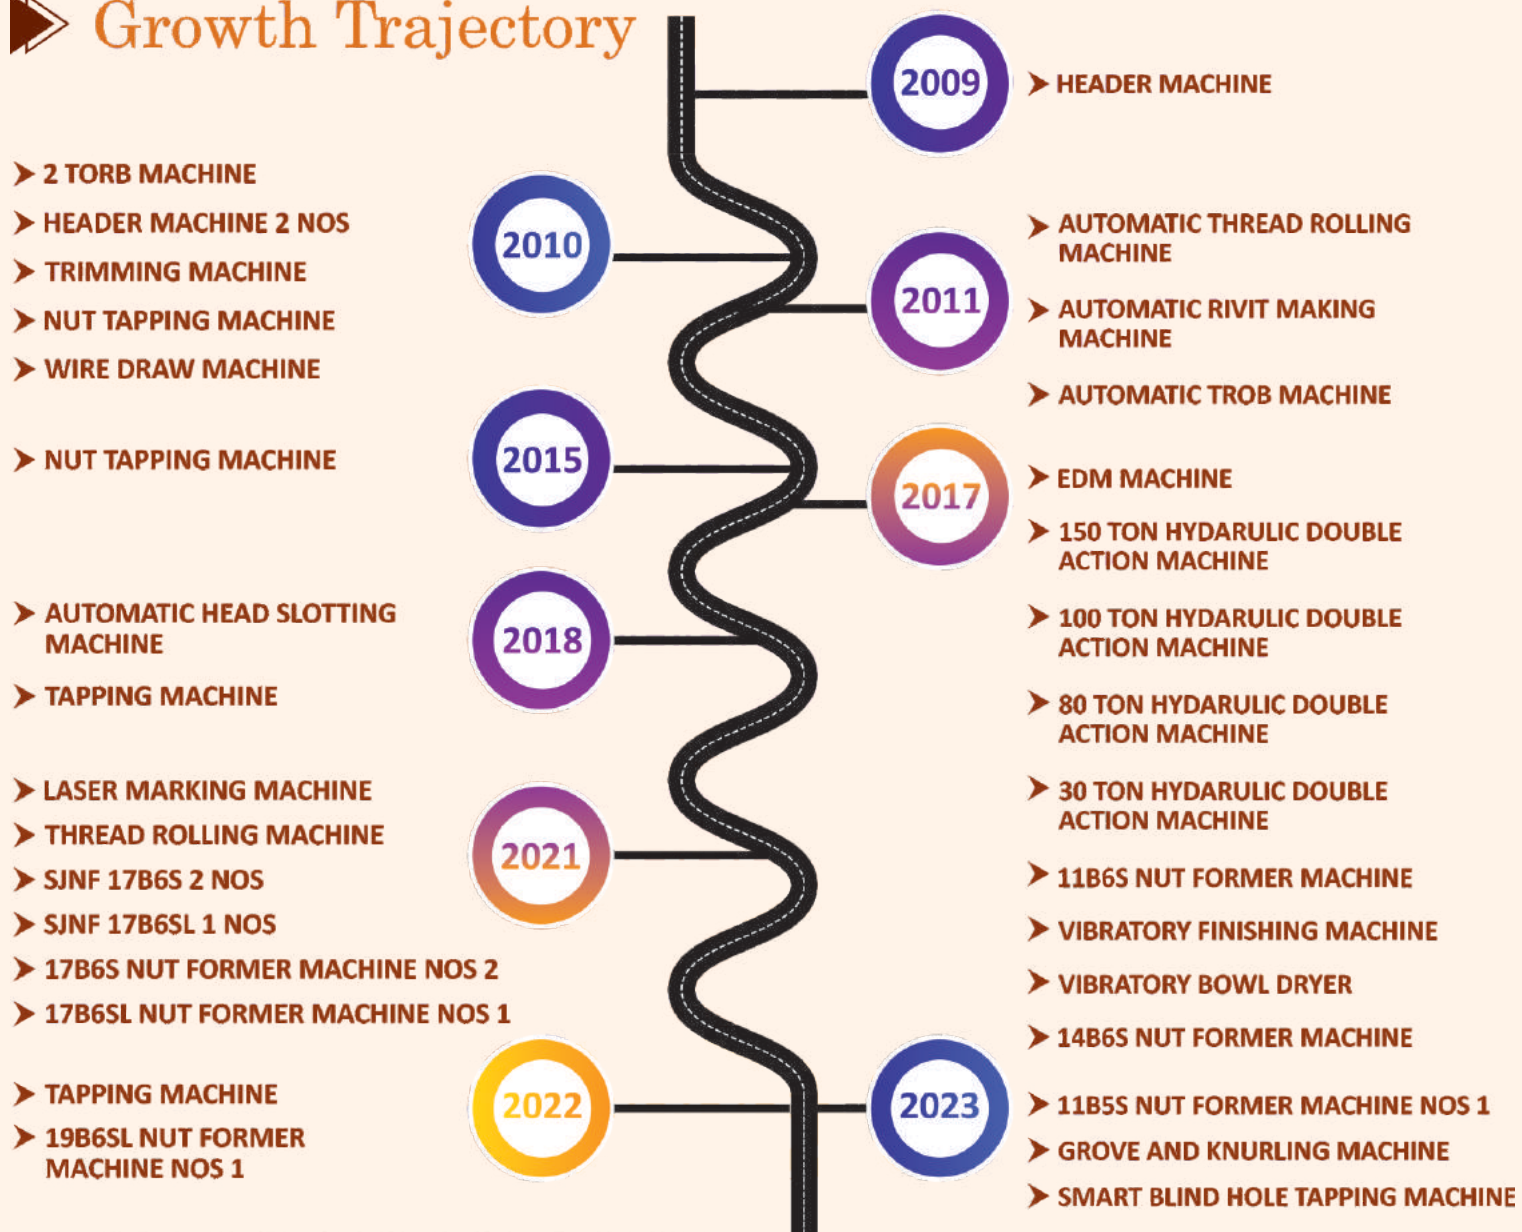

Our vision is to lead the fastener industry with trust, innovation, and diverse value-added services. We aim to excel in manufacturing and exporting by prioritizing quality control and empowering our client for extraordinary success.

➤ Mission

Our mission at Angel Industries is to provide precise fastening solutions for safer, more efficient, and sustainable industries. We strive to be the trusted partner that enables our clients to succeed in a world of fastening possibilities.

➤ Growth Trajectory

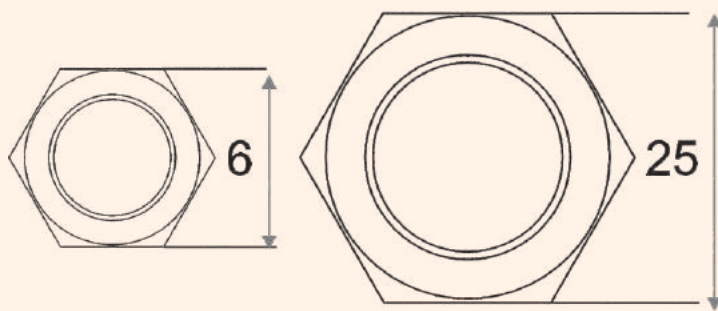

► Advantage

Multi industries experience automotive, Kitchenware, Aluminium window section industries Robust design & development capabilities with the entire manufacturing process setup available in-house Development of special type of fasteners is big capability of us.

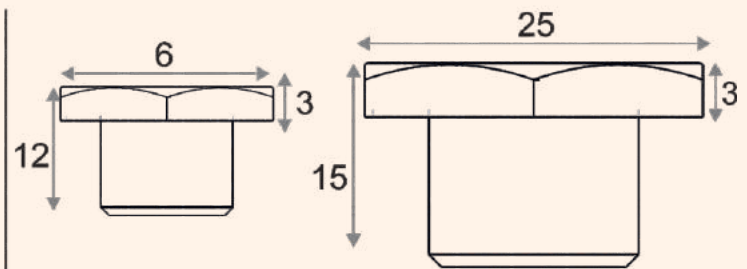

► Engineering Excellence

We are champion in aluminium

► Product Portfolio

Rivit

Outer Diameter : 3 mm to 20 mm
Total Length : 6 mm to 50 mm
Materials : Aluminium, MS,
Stainless Steel

Lock Nut

Across Flat : 6 mm to 25 mm
Materials : Aluminium, MS,
Stainless Steel, Brass, Copper

Bandi Adeptor Set

Materials : Aluminium, MS

Mixture Part

Materials : Aluminium,

Lockers & Cupboard Parts

Lockers & Cupboard Parts

Materials : Aluminium, MS

Hex Nut

Across Flat : 6.5 mm to 25 mm
Materials : Aluminium, MS,
Stainless Steel, Brass, Copper
on your Special Requirement

Long Nut

Across Flat : 6 mm to 25 mm
Total Length : 6 mm to 40 mm
Materials : Aluminium, MS,
Stainless Steel

Round Lock Nut

Outer Diameter : 9 mm to 16 mm
Total Length : 5 mm to 50 mm
Materials : Aluminium, MS,
Stainless Steel

Bush

Outer Diameter : 9 mm to 16 mm
Total Length : 5 mm to 40 mm
Materials : Aluminium, MS,
Stainless Steel

Long Coupling Nut

Across Flat : 6 mm to 25 mm
Total Length : 6 mm to 40 mm
Materials : Aluminium, MS,
Stainless Steel

Long Round Nut

Outer Diameter : 9 mm to 16 mm
Total Length : 5 mm to 40 mm
Materials : Aluminium, MS,
Stainless Steel

Slotted Nut

Across Flat : 6.5 mm to 25 mm
Materials : Aluminium, MS,
Stainless Steel, Brass, Copper
on your Special Requirement

Castellated Nut

Across Flat : 6.5 mm to 25 mm
Materials : Aluminium, MS,
Stainless Steel, Brass, Copper
on your Special Requirement

Flange Nut

Across Flat : 8 mm to 17 mm
Materials : Aluminium, MS,
Stainless Steel, Brass, Copper
on your Special Requirement

Long Nut and Extra Long Nut

Up to 65 mm Length

Hydraulic Hose Fittings

As per Requirement
